

A Personal Biography...

## Jason Everett...

If energy, possibilities and results could be packaged in a box and distributed, Jason Everett would need miles of warehouses and three FedEx's corporations to deliver it. Yet package it he does wherever he goes whether it is front of audiences of enthusiastic listeners or behind the doors of businesses around the region.

His infectious high energy, interactive, laser focused speaking style has made him an in-demand and fully booked out speaker across the region.

His unique blend of business skills, personal development skills, humor and high-power engagement, not only keeps audiences riveted to his every word, but has helped companies **increase their closing ratios by 150 – 300%** in a matter of months, increase gross sales by over 500% and reduce costs by nearly half a million dollars per year. Companies find it amazing to work with him as in the case of growing Local Marketing and Promotions Company from **\$300,000 in annual gross sales to \$1.5 million** in a few years.

Jason is the Regional Developer for SalesPartners Worldwide in Northern California and Northern Nevada. He has **10 years** experience in **outside sales, marketing, advertising, and events**. His **15 years of speaking, teaching, mentoring and presenting** has landed him into the arena of being one of Rich Dad Advisor and best-selling author Blair Singer's inner circle as one of the top facilitators of behavioral change in business.

Coming from a family of entrepreneurs and business owners, he has partnered with businesses helping them achieve double digit growth since 1980. Jason has worked with such fortune 500 companies as Baskin Robins, Comcast Cable, A&W Restaurants, Gerber, Time-Warner Cable, US Army, Warner Bros., Bank of America, General Mills, and Massage Envy.

Jason states that his mission is to 1) Help a many people as he can to get what they want in their lives and businesses through a unique blend of high impact personal development, business skill development and accountability. 2) Drive his SalesPartner team to build amazing and rewarding businesses and 3) To enjoy the financial, emotional and lifestyle benefits of a career and life devoted to helping others win big. He says, "It is my job to serve the marketplace first by helping business owners get more time back, create more income, and build better teams." He loves teaching what he learns and claims that the only way to truly know something is to do it.

Jason has been with his wife, Charity for ten years. Jason has also been part of the Big Brothers/Big Sisters organization for seven years because he believes that mastery comes from teaching others.

Testimonials:

"Jason's energy is contagious to the point that everyone of his clients and those who participate in his programs not only feel better about who they are, but are motivated to make immediate results."
